Covered Emergency Evacuation Expenses are the Reasonable and Customary Charges for necessary Transportation, related medical services and medical supplies incurred in connection with the Emergency Evacuation of the Insured. All Transportation arrangements made for evacuating the Insured must be by the most direct and economical route possible. Expenses for Transportation must be:

- (a) ordered by the attending Physician who must certify that the severity of the Insured's Injury or Sickness warrants his or her Emergency Evacuation and adequate medical treatment is not locally available;
 - (b) required by the standard regulations of the conveyance transporting the Insured; and
 - (c) authorized in advance by Travel Guard.
- In the event the Insured's Injury or Sickness prevents prior authorization of the Emergency Evacuation, Travel Guard (1.800.826.1300 or collect 1.715.345.0505) must be notified as soon as reasonably possible.

Special Limitation: In the event Travel Guard could not be contacted to arrange for emergency Transportation, benefits are limited to the amount the Insurer would have paid had the Insurer or their authorized representative been contacted.

The Insurer will also pay a benefit for reasonable and customary charges incurred for an escort's Transportation and accommodations if an attending Physician recommends in writing that an escort accompany the Insured.

Emergency Evacuation means:

- (a) the Insured's medical condition warrants immediate Transportation from the place where the Insured is injured or sick to the nearest adequate licensed medical facility where appropriate treatment can be obtained;
- (b) after being treated at a local licensed medical facility, the Insured's medical condition warrants Transportation to the Insured's home, or adequate licensed medical facility nearest the Insured's home to obtain further medical treatment or to recover; or
- (c) both (a) and (b) above.

LIMITATIONS:

- (a) Benefits are only available under Emergency Evacuation if they are not provided under another coverage in the plan.
- (b) The Maximum Limit payable for both Emergency Evacuation and Repatriation of Remains is shown in the Schedule.

ADDITIONAL BENEFIT

In addition to the above covered expenses, if the Insurer has previously evacuated an Insured to a medical facility, the Insurer will pay his/her airfare costs from that facility to the Insured's Return Destination, within one year from the Insured's original Return Date, less refunds from the Insured's unused transportation tickets. Airfare costs will be economy, or same class as the Insured's original tickets.

REPATRIATION OF REMAINS

The Insurer will pay Repatriation Covered Expenses up to the Maximum Limit shown on the Schedule to return the Insured's body to city of burial if he/she dies during the Trip.

Repatriation Covered Expenses include, but are limited to, the Reasonable and Customary Charges for transportation, according to airline tariffs, of the remains by the most direct and economical conveyance and route possible.

Travel Guard must make all arrangements and authorize all expenses in advance for this benefit to be payable.

Special Limitation: In the event the Insurer or the Insurer's authorized representative could not be contacted to arrange for Repatriation Covered Expenses, benefits are limited to the amount the Insurer would have paid had the Insurer or their authorized representative been contacted.

FLIGHT GUARD

The Insurer will pay this benefit if the Insured is injured while riding as a passenger in or boarding or alighting from or struck or run down by a certified passenger aircraft provided by a regularly scheduled airline or charter and operated by a properly certified pilot. The Insurer will pay up to the Maximum Limit shown in the Schedule for Loss of life, both hands or feet, sight of both eyes, one hand and one foot, or Loss of one hand or foot and the sight of one eye when such double Losses are the result of the same accident. One-half of the benefit is payable for the Loss of one hand or foot or the sight of one eye. If the Insured suffers more than one Loss from an accident, the Insurer will pay only for the Loss with the larger benefit. Loss of hand or foot means complete severance at or above the wrist or ankle joint. The Insurer will not pay more than 100% of the Maximum Limit for all Losses due to the same accident. Loss of sight of an eye means complete and irrecoverable Loss of sight. Loss must occur within 365 days of the accident.

EXPOSURE

The Insurer will pay a benefit for covered Losses as specified above which result from an Insured being unavoidably exposed to the elements due to an accidental Injury during the Trip. The Loss must occur within 365 days after the event which caused the exposure.

DISAPPEARANCE

The Insurer will pay a benefit for Loss of life as specified above if an Insured's body cannot be located one year after disappearance due to an accidental Injury during the Trip.

CAR RENTAL COLLISION COVERAGE

If an Insured's rented car is damaged while on a Trip due to collision, vandalism, windstorm, fire, hail or flood, while in his/her possession, the Insurer will pay the lesser of:

- (a) the cost of repairs and rental charges imposed by the rental company while the car is being repaired; or
 - (b) the Actual Cash Value of the car.
- The Insurer will pay this benefit up to the Maximum Limit shown on the Schedule subject to the Deductible shown in the Schedule.

Coverage is provided to the Insured and Traveling Companion, providing the Insured and Traveling Companion are licensed drivers, and are listed on the rental agreement. Coverage does not apply in countries or states where the sale of this insurance is prohibited by law.

This coverage is Primary to other forms of insurance or indemnity. The Insured must contact Travel Guard before renting to confirm whether the vehicle is covered.

Any payment Insurer makes in good faith fully discharges Insurer to the extent of that payment.

Benefits for Medical Expense/Emergency Evacuation services may be payable directly to the provider of the services. However, the provider: (a) must comply with the statutory provision for direct payment, and (b) must not have been paid from any other sources.

Trip Cancellation and Trip Interruption Payment of Loss: The Insured must provide Travel Guard documentation of the cancellation or interruption and proof of the expenses incurred. The Insured must provide proof of payment for the Trip such as canceled check or credit card statements, proof of refunds received, copies of applicable tour operator or Common Carrier cancellation policies, and any other information reasonably required to prove the Loss. Claims involving Loss due to Sickness, injury, or death require signed patient (or next of kin) authorization to release medical information and an attending Physician's statement. The Insured must provide Travel Guard with all unused air, rail, cruise, or other tickets if he/she is claiming the value of those unused tickets.

Baggage and Personal Effects Loss Payment of Loss: The Insured must: (a) report theft Losses to police or other local authorities as soon as possible; (b) take reasonable steps to protect his/her Baggage from further damage and make necessary and reasonable temporary repairs; (The Insurer will reimburse the Insured for those expenses. Baggage Delay Payment of Loss: The Insured must provide documentation of the delay or misdirection of Baggage by the Common Carrier and receipts for the Necessary Personal Effects purchases.

Medical Expense Payment of Loss: The Insured must provide Travel Guard with: (a) all medical bills and reports for medical expenses claimed; and (b) a signed patient authorization to release medical information to Travel Guard.

Car Rental Collision Coverage Payment of Loss: The Insured must: take all reasonable, necessary steps to protect the vehicle and prevent further damage to it; report the Loss to the appropriate local authorities and the rental company as soon as possible; obtain all information on any other party involved in an accident, such as name, address, insurance information, and driver's license number; and provide Travel Guard all documentation such as rental agreement, police report, and damage estimate.

The following provisions apply to Baggage Delay, Baggage/Personal Effects Loss and Car Rental Collision Coverage:

- Notice of Loss.** If the Insured's property covered under the Policy is lost or damaged, the Insured must:
- (a) notify Travel Guard as soon as possible;
 - (b) take immediate steps to protect, save and/or recover the covered property;
 - (c) give immediate notice to the carrier or bailee who is or may be liable for the Loss or damage;
 - (d) notify the police or other authority in the case of robbery or theft within 24 hours.

Proof of Loss. The Insured must furnish the Insurer with proof of Loss. Proof of Loss includes police or other local authority reports or documentation from the appropriate party responsible for the Loss. It must be filed within 90 days from the date of Loss. Failure to comply with these conditions shall not invalidate any claims under the Policy.

Settlement of Loss. Claims for damage and/or destruction shall be paid immediately after proof of the damage and/or destruction is presented to the Insurer. Claims for lost property will be paid after

the lapse of a reasonable time if the property has not been recovered. The Insured must present acceptable proof of Loss and the value.

Valuation. The Insurer will not pay more than the Actual Cash Value of the property at the time of Loss. At no time will payment exceed what it would cost to repair or replace the property with material of like kind and quality.

Disagreement Over Size of Loss. If there is a disagreement about the amount of the Loss either the Insured or the Insurer can make a written demand for an appraisal. After the demand, the Insured and the Insurer each select their own competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the Loss. If they do not agree, they will select an arbitrator. Any figure agreed to by 2 of the 3 (the appraisers and the arbitrator) will be binding. The appraiser selected by the Insured is paid by the Insured. The Insurer will pay the appraiser it chooses. The Insured will share with us the cost for the arbitrator and the appraisal process.

Benefit to Bailee. This insurance will in no way inure directly or indirectly to the benefit of any carrier or other bailee.

The following provision applies to Trip Cancellation, Trip Interruption, Medical Expense, Baggage/Personal Effects Loss, Emergency Evacuation, and Repatriation of Remains:

Subrogation. To the extent the Insurer pays for a Loss suffered by an Insured, the Insurer will take over the rights and remedies the Insured had relating to the Loss. This is known as subrogation. The Insured must help the Insurer preserve its rights against those responsible for its Loss. This

may involve signing any papers and taking any other steps the Insurer may reasonably require. If the Insurer takes over an Insured's rights, the Insured must sign an appropriate subrogation form supplied by the Insurer.

As a condition to receiving the applicable benefits listed above, as they pertain to this Subrogation provision, the Insured agrees, except as may be limited or prohibited by applicable law, to reimburse the Insurer for any such benefits paid to or on behalf of the Insured, if such benefits are recovered, in any form, from any Third Party or Coverage.

Coverage – as used in this Subrogation section, means no fault motorist coverage, uninsured motorist coverage, underinsured motorist coverage, or any other fund or insurance policy (except coverage provided under the Policy to which this Description of Coverage is attached) and any fund or insurance policy providing the Policyholder with coverage for any claims, causes of action or rights the Insured may have against the Policyholder.

Third Party – as used in this Subrogation section, means any person, corporation or other entity (except the Insured, the Policyholder and the Insurer).

GENERAL PROVISIONS

Physical Examination and Autopsy. The Insurer at its own expense has the right and opportunity to examine the person of any individual whose Loss is the basis of claim under the Policy when and as often as it may reasonably require during the pendency of the claim and to make an autopsy in case of death where it is not forbidden by law.

Beneficiary Designation and Change. The Insured's beneficiaries are the persons designated by the Insured and on file with Travel Guard.

An Insured over the age of majority and legally competent may change his or her beneficiary designation at any time, unless an irrevocable designation has been made, without the consent of the designated beneficiaries, by providing Travel Guard with a written request for change. When the request is received, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Insurer on account of any payment made by it prior to receipt of the request.

Assignment. An Insured may not assign any of his or her rights, privileges or benefits under the Policy.

Misstatement of Age. If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. If the benefits for which the Insured is insured are based on age and the Insured has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. The Insurer may require satisfactory proof of age before paying any claim.

Legal Actions. No action at law or in equity may be brought to recover on the Policy prior to the expiration of 60 days

after written proof of Loss has been furnished in accordance with the requirements of the Policy. No such action may be brought after the expiration of 3 years after the time written proof of Loss is required to be furnished.

Concealment or Fraud: The Insurer does not provide coverage if the Insured has intentionally concealed or misrepresented any material fact or circumstance relating to the policy or claim.

Payment of Premium: Coverage is not effective unless all premium due has been paid to Travel Guard prior to a date of Loss or insured occurrence.

Notice to Vermont Residents:

U30000DDDBG

Vermont law requires that health insurers offer coverage to parties to a Civil Union that is equivalent to coverage provided to married persons. This endorsement is made a part of and amends the Policy or Description of Coverage on the later of: (1) 3/1/2009; or (2) the Policy Effective Date; or (3) the Description of Coverage Effective Date, to which this Endorsement is attached. It is subject to all of the provisions, limitations, and exclusions of the Policy or Description of Coverage except as they are specifically modified by this Endorsement.

1.The definition of Civil Union is added to and made a part of the Definitions section.

Civil Union – means that two eligible persons have established a relationship pursuant to 15 V.S.A. chapter 23 of Vermont's Statutes and may receive the benefits and protections and be subject to the responsibilities of spouses. 2.The definition of Party(ies) to a Civil Union is added to and made a part of the Definitions section.

Party(ies) to a Civil Union – means an Insured who has established a Civil Union with another person pursuant to 15 V.S.A. chapter 23 and 18 V.S.A. chapter 106.

3.The definitions, terms, conditions or any other provisions of the Policy, Description of Coverage, and/or Riders and Endorsements to which this mandatory Endorsement is attached are hereby amended and superseded as follows:

Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms include the relationship created by a Civil Union.

Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a Civil Union.

Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a Civil Union.

4. As provided in this Endorsement the term child or covered child shall mean a child (natural, stepchild, legally adopted child, a minor, or a disabled child) who is: (1) dependent on the Insured for support and maintenance; and (2) born to or brought to: (a) a marriage; or (b) a Civil Union established according to Vermont law.

5. The defined terms Eligible Spouse or Insured Spouse, or the term spouse, wherever they appear in the Policy, Description of Coverage, Rider, Endorsement, and/or Application are deemed to include a Party to a Civil Union. **THIS ENDORSEMENT IS NOT MEANT TO PROVIDE DEPENDENT COVERAGE IF DEPENDENT COVERAGE IS NOT PROVIDED UNDER THE POLICY.**

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE.

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to Parties to a Civil Union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a Party to a Civil Union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a Party to a Civil Union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, Parties to a Civil Union and their families may or may not have access to certain benefits under the Policy, Description of Coverage, Rider, or Endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under the Policy.

Proof of Loss includes police or other local authority reports or documentation from the appropriate party responsible for the Loss. It must be filed within 90 days from the date of Loss.
